Valois:

I resend this email since we have the new tribal President contact. This will match with the updated letter Darcy will send today.

Subject: Fw: EPA Region 8 Underground Injection Control - Programmatic Agreement

Dear President Fisher:

The U.S. Environmental Protection Agency (EPA) is providing you the enclosed documentation concerning EPA’s decision to comply with Section 106 of the National Historic Preservation Act by signing an existing Programmatic Agreement concerning two Underground Injection Control (UIC) Area Permit Applications for the Dewey-Burdock uranium in-situ recovery (ISR) site located near Edgemont, South Dakota, under the authority of the Safe Drinking Water Act and UIC program regulations. The Dewey-Burdock site is located in southwestern Custer County and northwestern Fall River County, on the Wyoming/South Dakota border.

If you have any questions, please feel free to contact me.

Sincerely,

Omar Sierra-Lopez
Physical Scientist (Environmental)

U. S. Environmental Protection Agency (Region 8)
